

### Class Schedule - Effective September 1, 2010

Pacific Dance Center offers a full range of graded classes, from pre-ballet to pre-professional training. We provide a unique opportunity for students of all ages and abilities to study the traditions and discipline of classical ballet, as well as other dance genres.

Whether a student's goal is a career in dance or dancing purely for recreational exercise, our faculty offers personal attention and professional training to match each student's interests.

#### CLASS SCHEDULE

Ages shown on this schedule are used as a guideline. Students are placed in classes based on skill level, technique, determinations to advance and maturity. Curriculum for each level is mandatory.
